ANDREW LONDON

PERSONAL VENTURES

Co-founder, Lazy Bean Coffee Company (2013 – Present)
Charleston, SC

- Lazy Bean bottles and kegs cold brewed coffee for local restaurants and small grocers. It is currently available for purchase at 7 locations in the Charleston area. I am responsible for account acquisitions, production, and product distribution.

Co-founder, Anchored Solutions Inc. (2010 – 2012)
Daniel Island, SC

- Anchored solutions designed and manufactured aluminum reef anchors for the boating and fishing industry. During my time with Anchored Solutions, I was in charge of product design, manufacturing, and creating marketing materials. The company was sold in 2012 to a venture capital firm where it continues to thrive today.

PROFESSIONAL EXPERIENCE

Project Manager, Anchor Sign (2014 – 2015)
Charleston, SC

- Anchor Sign is a national sign manufacturing and installation company based in Charleston. As Project Manager, I coordinated the repair and installation of sign packages for Petco, TJ-Maxx, Marshalls, and PPG.

Senior Counselor, Hope Homes Inc. (2011 – 2013)
Charlotte, NC

- Hope Homes is a residential treatment center for adults with substance abuse diagnoses. Based out of Smyrna, GA, I helped open their Charlotte location in May of 2011. My primary responsibilities included community outreach, account acquisition, and facilitation of therapeutic counseling sessions.

EDUCATION

The Iron Yard (2016)
Front End Engineering

College of Charleston (Class of 2011)
Bachelor of Science, Sociology
